Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to giving top quality and new design concepts to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They like offering products which energize both their partners and their dealers and offer production gains to their customers.

The TREK team of workers likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills together with their knowledge of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

The employees at TREK and their dealer-partners are strongly dedicated to having both technical support and parts obtainable when it is needed. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning machinery running and ready everyday is top priority. The company's top of the line technology delivers dependable machinery that ultimately lessens your cleaning cost. The product, the price and the service all work as one in order to make them the leader in the business.
